

STEP 1. :

Please Click the Link: <http://apniphysics.com/courses/>

You will see this webpage, here click Engineering Physics course.

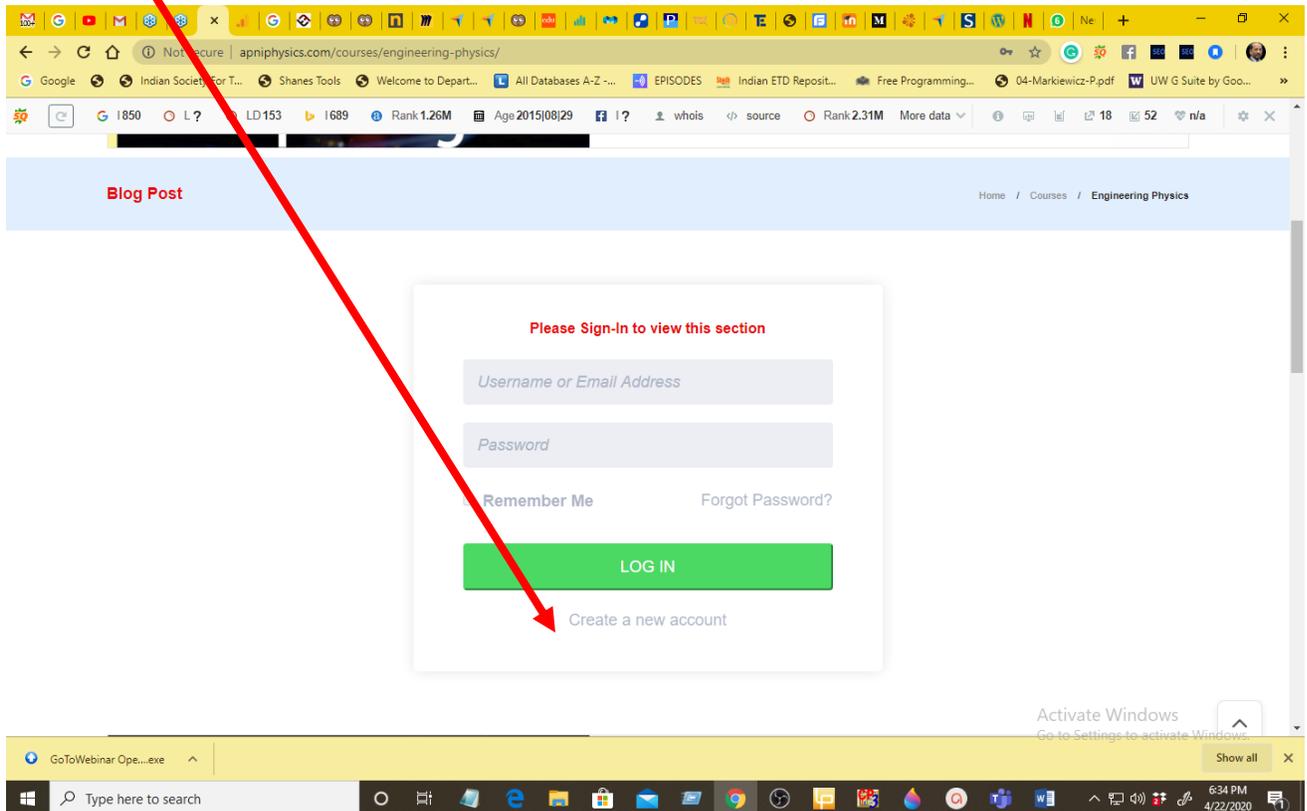

The screenshot displays a web browser window with the URL <http://apniphysics.com/courses/>. The page shows a list of 8 courses, sorted by release date (newest first). Three course cards are visible:

- Optics and Thermal Physics**: A Graduate Physics Course by Dr. Sushil Kumar, available for free. It has a 5-star rating and 2 reviews. The course is part of a Bachelor of Science degree (BSc).
- Online Class Master**: An Intermediate course for teachers, available for free. It has a 5-star rating and 2 reviews. The course is part of a Digital Education program.
- Engineering Physics**: A Graduate Physics Course by Dr. Sushil Kumar, available for free. It has a 5-star rating and 6 reviews. The course is part of an Engineering program.

Each course card includes a 'Get Enrolled' button and social media links for @apniphysics on Twitter, Facebook, and the website www.apniphysics.com. The browser's taskbar at the bottom shows the time as 6:32 PM on 4/22/2020.

STEP 2. :

After it you will see this new window, here you have to create a new account, if not logged in. After creating your login id and password you can login into the course.

STEP 3.:

Now You can see your dashboard where your all available information is available. You just click the course and start.

The screenshot shows a web browser window displaying the dashboard for 'apniphysics.com'. The dashboard includes a sidebar with navigation options and a main content area with summary cards and a table of popular courses.

Dashboard Summary:

- Enrolled Courses: 8
- Active Courses: 8
- Completed Courses: 0
- Total Students: 37
- Total Courses: 8
- Total Earnings: 0

Most Popular Courses:

Course Name	Enrolled	Status
Quantum Mechanics (B.Sc.)	5	Publish

The browser's address bar shows 'apniphysics.com/dashboard/'. The Windows taskbar at the bottom indicates the time is 6:39 PM on 4/22/2020.

Step4.-

When you will get your login id and password you can also direct join the course by click the join course. And Now start the course by click start button.

The screenshot shows a web browser displaying the 'Engineering Physics' course page on the Apni Physics website. The page includes a 'Blog Post' header, a course title 'Engineering Physics' by Dr. Sushil Kumar, and a 'START COURSE' button. A red arrow points to the 'START COURSE' button. The course status is shown as 0% Complete. The page also features a 'COMPLETE COURSE' button and a 'Share' section with social media icons. The browser's address bar shows the URL 'apni-physics.com/courses/engineering-physics/'.
